

CONSULTATIONS

A consultation up to 15 min

free

A brief consultation during which we discuss your concerns and needs to determine if a more comprehensive examination is necessary.

Ideal for those exploring aesthetic procedures as options of plastic surgery for the first time, seeking quick expert advice.

Consultations with Dr Merle Rohtla

70 €

Consultations with Dr Merle Rohtla offer professional advice and a tailored approach to the aesthetic and surgical needs. Dr Rohtla is an experienced specialist dedicated to helping you find the best solutions for your beauty and well-being.

The ideal choice for those seeking advice on specific procedures such as breast lift, body fat reduction or facial rejuvenation. Dr Rohtla provides expert insights and advice on the most suitable treatment options.

Comprehensive consultation

introductory price 55 €

(Dr Merle Rohtla and aesthetic nurse / cosmetologist)

The consultation provides the opportunity to receive advice from two to three specialists so that you can better understand the cosmetic, aesthetic and surgical solutions to your needs. During the in-depth consultation, your wishes, expectations and potential treatment options are thoroughly discussed.

A unique opportunity to have Dr Rohtla discuss how to achieve your desired results together with an aesthetic nurse or cosmetologist. This consultation helps create a comprehensive plan, incorporating both surgical and non-surgical solutions.
